

Life on Planet Earth...

Year 6 Spring 1 Somewhere round the river bend...

Literacy

This half term, we are going to immerse ourselves into our rivers topic by writing an explanation text about the journey of a river. We will also be writing a narrative based on 'One More River'. We will also be reading and writing our own poetry based on rivers.

Maths

We will be learning to multiply numbers by 10, 100 and 1000, multiplying one digit numbers with up to 2dp by whole numbers and using written division methods. We will also be solving problems involving the calculation of percentages and the use of percentages for comparison.

Reading

In book study, we will be learning to comprehend more complex ideas. We will work on our inference and deduction skills as well as our comprehension. We will be answering questions based on the content domains. We will be reading 'River Boy' and 'Journey to River Sea'.

Science

Physics: Evolution and Inheritance

Line of enquiry:

How have the theories of Charles Darwin changed the world?

Geography

Rivers

Line of enquiry: How does water travel through a river system?

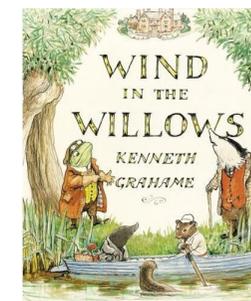

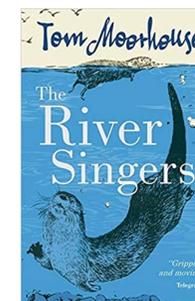

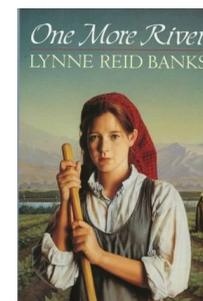

R.E.

Religion, family and community

Line of enquiry:

What contributions do religions make to local life in Sheffield? How can we make Sheffield a city of tolerance and respect?

Background Reading:

P.E.

Dance

Line of enquiry: How can the elements of levels, speed, props and characterisation be used to create a dance sequence?

Art/D.T

Drawing

Line of enquiry: How can lines be used to create the illusion of shape?

Music

Growth

Line of enquiry: What does it mean to be a good performer?

Computing

Communicating: multimedia

Line of enquiry:

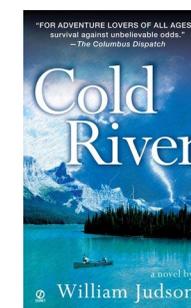

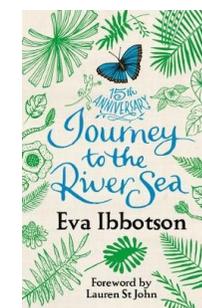

What is multimedia? How are different types of multimedia created?

PSHE/RSE/No Outsiders/Habits:

Good to be me

Safer Internet Day

Patience & Compassion
