

Home Learning - Jack and the Beanstalk

This week in Nursery we are learning about the story 'Jack and the Beanstalk', your child might like to talk to you about the characters in the story and tell you what happens in the story. Your child might like to draw a picture of the giant and write / mark make what the giant says in the story.

Our nursery rhyme is 'round and round the garden', we are sure your child will enjoy singing it with you.

Round and round the
garden like a teddy bear,
One step, two step,
Tickle you there!

We will be learning about size in Nursery, using different words to talk about size (big, large, small, tiny etc...) and sorting by size. You and your child might like to cut out the objects and order them by size, giving the big objects to the giant and the small objects to Jack.
