

Welcome back

Dear Parent Carers

Firstly, we all hope you have had a fantastic summer with your families, and we cannot wait to open the doors on Tuesday 3rd September and welcome everyone back.

Over the Summer, we have been lucky enough to secure having a new EYFS outdoor area built.

Unfortunately, due to circumstances out of our control the completion date has been delayed and should now be complete by the end of next week at the latest. This does mean some slight changes to pick up and drop off areas.

- Nursery and Reception (EYFS – Early Years and Foundation Stage) will enter and leave by the hall. Door will be signposted for classes.
 - Year 1 and 2 will enter and leave through their classroom doors as usual but will access their classrooms by walking down the path next to the car park to the right of school as indicated below.
 - Year 3 and 4 will enter and leave school through signposted doors at the hall.
 - Year 5 and 6 will enter school via the steps at the back of school as usual. Year 5 will leave school via the bottom corridor as indicated below and Year 6 will leave via the steps they entered through.
- Any late arrivals should come through the main reception doors. There will be numerous members of staff around to help signpost where you can drop children off. We apologise for any inconvenience.

Thank you for your support,
Mrs Smith and Mr Walsh
