Dear Parents/Carer

Year 4: Swimming lessons

As part of the National Curriculum, every year our Year 4 children participate in swimming lessons at one of the local swimming facilities. However, due to the current COVID situation, I have made the decision to postpone our lessons for the time being.

This was not an easy decision to make, but I feel it is for the best at this particular moment in time.

As learning to swim is such an important life skill, your children will not miss out on participating in swim lessons. We are hoping that we can reschedule lessons for the second half of the school year or when they move into Year 5.

Thank you for your understanding in this matter, if you have any queries or questions then please contact the school by email: info@oasiswatermead.org

Yours sincerely

Dear Parents/Carer

Year 4: Swimming lessons

As part of the National Curriculum, every year our Year 4 children participate in swimming lessons at one of the local swimming facilities. However, due to the current COVID situation, I have made the decision to postpone our lessons for the time being.

This was not an easy decision to make, but I feel it is for the best at this particular moment in time.

Dear Parents/Carer

Year 4: Swimming lessons

As part of the National Curriculum, every year our Year 4 children participate in swimming lessons at one of the local swimming facilities. However, due to the current COVID situation, I have made the decision to postpone our lessons for the time being.

This was not an easy decision to make, but I feel it is for the best at this particular moment in time.

As learning to swim is such an important life skill, your children will not miss out on participating in swim lessons. We are hoping that we can reschedule lessons for the second half of the school year or when they move into Year 5.

Thank you for your understanding in this matter, if you have any queries or questions then please contact the school by email: info@oasiswatermead.org

Yours sincerely
