

24th February 2022

Dear Parent / Carer

Updated Covid restriction information

I have met with our Leadership team today to discuss the new government guidance that has been issued with regards to the easing of Covid restrictions.

After taking into account the safety of our pupils, staff, and families, I would now like to confirm some changes that will come into effect from **Monday 28th February** to both the morning and afternoon routines:

Morning drop off:

- School gates will open at 8.30am.
- All parents are welcome on site to walk their children to classrooms or entry points.
- In the short term, we are requesting that parents or carers of children in nursery, reception, year 1 and 2 drop off their child/children at the classroom door. At this point, parental entry into classroom will be restricted. In the coming weeks and months ahead, I hope to be able to welcome parents and families into school on a more regular basis.
- If you have anything you would like to discuss with class teachers, please continue to use Class Dojo. The class teacher will respond to all messages.
- Parents must walk their children on site, they can not be dropped off at the roadside or at the school gates.

Home time:

- Gates will open at 3.15pm.
- All parents are welcome on site to collect their children from classrooms and normal exit points.
- The one-way system will no longer be enforced.
- If you have anything you would like to discuss with class teachers, please continue to use Class Dojo. The class teacher will respond to all messages.

We would like to thank all our families for their support and understanding during these unprecedented times. I hope that we are on a more positive path back to some normality.

If there is an outbreak of Covid in the school or locality, as Principal, I do reserve the right to enforce any previous Covid mitigations which may include restricting access and mask wearing. Any temporary changes will be communicated with you in a timely manner.

The changes outlined above, come into effect on Monday 28th February. I would appreciate your support to continue to follow our Covid rule for the rest of this week.

Yours Sincerely

Adam Dawson
Principal
